PEASE'S Candies

Due to the recent fire at our State and Laurel streets location, this Pease's Candy Shop has relocated to 1614 South MacArthur, the former Black's Hardware building.

On Thursday, March 10 we will be open at this new location and ready to serve you.

We will have our complete line of Easter candy which has been a tradition in Springfield for 64 years.

Call or stop by any of our three locations.
