FIRE CONSUMED CHECKS — The Breakfast Optimist Club's major fund-raiser is selling Pease's candies for Valentine's Day. Receipts are channeled through the candy company, then the club reaps the profits.

All of the checks received from candy sales last month at the Stratton Office Building, Willard Ice Building and the Department of Transportation were destroyed in the Pease's fire last week.

The club is appealing to anyone who paid by check to write another and mail it to Breakfast Optimist Club, P.O. Box 7391, Springfield, Ill., 62791.
